Subject: Reschedule meeting to discuss formaldehyde rule's non-complying lots provision

Thanks, Brian. KCMA would like to reschedule our meeting for Friday, April 14. Does that work for you and Eric? Either morning or afternoon would work for us.

If not, please suggest some dates that the two of you could meet with KCMA.

Subject: Postpone meeting to discuss formaldehyde rule's non-complying lots provision

Brian and Eric, in light of the news that EPA is delaying the effective date of the formaldehyde standard

until at least May 22, KCMA would prefer to postpone our meeting scheduled for Tuesday, March 21,

We would like to meet with you early in April. Could let us know some dates when you two would be available then?

Thanks for your willingness to discuss this important rule.

Great – we'll plan on that. We will be meeting in room 5227 of EPA's East Building at 1201 Constitution Ave NW. When you arrive, contact Erik at 202-564-6450 and he can arrange to sign you into the building. Thanks.

Thanks, Brian. Let's do 2 p.m. EDT on March 21.

Betsy Natz from KCMA and I will attend, and Betsy may bring a representative from a member company.

Brian, we can meet any time the week of March 20 except Monday the 20th.

I suggest Tuesday at 3:00, if that works for you and Erik.

Mark, I made a mistake when we spoke – turns out Erik will not be here on March 15th. Given your folks may already be committed to the trip, we are happy to keep the meeting as is, with myself and staff, or we can try to reschedule for the following week. We can do just about any time the week of March 20th except for Thursday afternoon and Friday. Sorry about the confusion – I'm going to blame the lingering impact of the flu for my mistake.

Brian, thanks very much for our conversation this morning. The Kitchen Cabinet Manufacturers Association would like to meet with you at 3:00 on Wednesday, March 15.

Am I correct that the meeting will be at 1201 Constitution?
